

# WOOSH CARE CONTRACT

The following rules are given to all the children at WOOSH Care. These rules have been written by the children, staff and committee of WOOSH Care to ensure the safety and well being of everyone involved.

Please take the time to read through the following pages with your child, ensuring that they children these rules, then sign the form and return it to the Centre.

---

- 1. I will respect the children and staff at WOOSH Care, the belongings of others, and the equipment of the Centre.** *Respect is very important. When we show respect we show that we care about people and other things. We can show respect for others by allowing people to speak, and listening to what they have to say.*
- 2. I will only use appropriate language.** *Swearing and name-calling is offensive and hurts people's feelings and will not be tolerated at WOOSH Care.*
- 3. I will not bully other children.** *When children are bullied, they learn to fear other people. Bullying will not be tolerated at WOOSH Care.*
- 4. I will co-operate with staff and other children.** *When we co-operate we allow others to have fun.*
- 5. I will share toys and equipment with others.** *Sharing gives others a change to enjoy the toys and equipment as well.*

**I will remember that the rules that apply at school also apply at WOOSH Care.** *This is important so that everyone can be safe and happy.*

**These rules include:-**

- **Staying within the boundaries.**
- **Keeping my hands and feet to myself, and**
- **Letting staff know if I need to go to the toilet.**

- 6. I will pack up all the materials and equipment I use after I have finished playing with them.** *When we pack toys and equipment away, it stops them from being lost or damaged, and gives other children the opportunity to play later.*
  - 7. During afternoon tea-time, I will either join everyone for afternoon tea, or if I choose not to eat, I will find a quiet activity to engage with until everybody has finished.** *By doing this, it gives everyone the opportunity to eat their afternoon tea without any disruptions.*
